

Dis-Act

General Information

“Dis-Act” is an Erasmus Plus — KA2 Strategic Partnerships for Adult Education - Innovation project coordinated by NGO Nest Berlin. It will last 24 months and will enhance the inclusive potential of Theatre as an instrument of opening opportunities and dispelling prejudice against people with disability through the production of quality educational offer for operators and disabled adults themselves in Devised Theater. Dis-Act aims at empowering people with disability with a view to enabling their full participation in society on a footing of parity with the non disabled and eliminating all kinds of discrimination against disabled people by positive action.

Target Group

Dis-Act is addressed to an audience of direct targets (adults with disabilities aged 35-55 coming from disadvantaged urban and rural communities and Educators/Trainers providing or interested in providing support to their social inclusion) and indirect targets (Adult education institutions, NGOs, cultural businesses and associations, Arts centers/groups, Organizations of people with disabilities, Organizations/public agencies providing services for people with disabilities).

Activities

- 4 Transnational meetings;
- A Joint Staff Training Event: the activity will be a training for educators/trainers from partner organizations aged 18+;
- Multiplier Event implemented per each partner country with the participation of 100 individuals among general public, disabled adults and stakeholders per Event.

Results

- Report of a research across partner countries identifying the needs and barriers of adults with disabilities;
- International Piloting implemented with the involvement of educators/trainers from partner organizations (5 educators/trainers per partner organization);
- Local Programmes implemented in each partner country with the involvement of 15 learners per country;
- A theatrical performance at the conclusion of each Local Programme;
- A Guidebook providing orientation and methodological guidance for operators in the implementation of Devised Theater co-creation programmes;
- Web Platform in multiple languages.
