

## Coordinator

**The NGO Nest Berlin e.V. (NEST)**

*A Hub for Research, Education and Personal Growth*

NEST is an organization for promoting and execution of transnational mobility. The organization assists network partners to support adults/youth and functions as a hub for research and EU project design with a focus on impacting Berlin community, specifically the Wedding Neighborhood.

**MISSION:** The organization aims at human, social and socioeconomic development of people.

**SERVICES:** NEST creates and deploys educational activities, with a focus on strengthening skills and capacities of the young, such as leadership or project management.

**PROGRAMES:** NEST is involved in the design and management of international projects in all the sectors of Erasmus+, H2020 and other international youth programs, all over Europe and Africa.

KA2 Strategic Partnership for Adult Education

2019-1-DE02-KA204-006285

Co-funded by the  
Erasmus+ Programme  
of the European Union

## General Information

“Dis-Act” is a KA204 Strategic Partnerships for adult education-Innovation project implemented by NGO Nest Berlin. It will last 24 months and will enhance the inclusive potential of Theatre as an instrument of opening opportunities and dispelling prejudice against people with disability through the production of quality educational offer for operators and disabled adults themselves in Devised Theater. Dis-Act aims at empowering people with disability with a view to enabling their full participation in society on a footing of parity with the non disabled and eliminating all kinds of discrimination against disabled people by positive action.

## Target Group

Dis-Act is addressed to an audience of direct targets (disabled adults aged 35-55 coming from disadvantaged urban and rural communities and Educators/Trainers providing or interested in providing support to their social inclusion) and indirect targets (Adult education institutions, NGOs, cultural businesses and associations, Arts centers/groups, Organizations of disabled people, Organizations/public agencies providing services for disabled people).

## Activities

- 4 Transnational meetings
- A joint staff Training Event. The activity will be a training for educators/trainers from partner organizations aged 18+
- Multiplier Event implemented per each partner country with the participation of 100 individuals among general public, disabled adults and stakeholders per Event.

## Results

- Report of a research across partner countries identifying the needs and barriers of adults with disabilities
- International Piloting successfully implemented with the involvement of educators/trainers from partner organizations (5 educators/trainers per country/partner)
- Local Programs implemented in each partner country with the involvement of 15 learners per country
- A theatrical performance at the conclusion of each Local Program.
- A Guidebook providing orientation and methodological guidance for operators in the implementation of Devised Theater co-creation programs.
- Web Platform in multiple languages.
